**Summary of Legislation:** This bill grants a youth baseball and softball organization an additional period in which to file an application for a property tax exemption.

**Effective Date:** Upon passage.

**Explanation of State Expenditures:**

**Explanation of State Revenues:**

**Explanation of Local Expenditures:** (Revised) The bill provides a taxpayer, that is a nonprofit corporation, can file for a refund of their CY 2003 property taxes if:

1.      The property is owned, occupied, and used to provide youths an opportunity to play baseball or softball prior to the 2002 reassessment.
2.      The property tax liability exceeds \$20,000.
3.      The owner would have qualified for an exemption if it had been filed in a timely manner.
4.      An exemption was granted for 2004.

The bill would probably apply to few taxpayers. It would apply to the Southport Little League that failed to renew its exemption and was charged \$21,000 in taxes for CY 2003. The bill would be a loss in revenue for the taxing units where the property is located. The impact on any one taxing unit would probably be minor. The following shows the impact on the taxing units that would be affected by the Southport Little League refund.
